Subject: [External] Atlantic Coast Pipeline needs full review

CAUTION: External email. Do not click links or open attachments unless verified. Send all suspicious email as an attachment to report.spam@nc.gov.

Ms Owen

I am a resident of Mars Hill, NC and retired MC

Please protect the people and landscape of NC for now and our common future.

The ACP Pipeline will benefit only Duke Energy and natural gas industries, not the health, safety, security and integrity of our residents or beautiful land and waters.

The DEQ needs to hold public hearings in Robeson, Cumberland and Johnston Counties regarding the ACP's economic development claims and submissions. These hearings will enable you, the DEQ, and the Attorney General's office to hear public input about these important questions and to review it as a part of the 401 Water Quality Permit application.

for earth peace
